

## **Tambobamba Fast Facts**

### ***What is Tambobamba?***

A division of Nuevo Latino Natural Foods, Inc., Tambobamba is a line of all natural, gluten-free and vegetarian Latin American and Caribbean side dishes and meals. Tambobamba products are easy-to-prepare contemporary versions of authentic recipes from the region. Tambobamba Side Dishes are easy-to-prepare and ready in 10 minutes. Tambobamba Mojo Bowls are healthy meals in a bowl that are ready in just two minutes!

### ***Tambobamba History***

Based in Boulder, Colorado, Nuevo Latino Natural Foods, Inc., is a privately held food manufacturer that is passionate (some might say “loco”) about providing consumers with convenient ways to enjoy great tasting, all natural Latin American and Caribbean cuisine. Named after a well-known tambo (or inn) along the Inca Trail in Peru, Tambobamba products (part of the Nuevo Latino Natural Foods family) provide a convenient and exotic culinary adventure to those who are in a hurry, but don’t want to sacrifice great taste and fine ingredients.

### ***Tambobamba Mission***

We are committed to educating consumers about the various people and cultures of Latin America and the Caribbean in order to build community and bridge cultural gaps. We are also giving back by providing micro credit to farmers and food producers in Latin America via Kiva.org.
